**Disclaimer:** Mountain Challenges are physical and demanding sports, which obviously have inherent hazards associated with them. Whilst Merseyventure take all necessary precautions to try and ensure the safety of all participants, unfortunately accidents will occur in consequence. Each participant should familiarise themselves with the hazards and try and minimise these as possible by complying with Merseyventure risk management guidelines and mountain leader instruction. Merseyventure accepts no responsibility whatsoever for any loss or injury resulting from any persons involvement in this challenge. Furthermore, it is understood and agreed that individuals participate at their own risk.

**I confirm that I am fit and able to attempt this challenge safely.**

**Payments:**

The cost for participating in this challenge is **£329** per person.

Any additional accommodation or collection/drop-off charges will be added after booking and agreement. A **NON-RETURNABLE** deposit of **£129** is payable by each participant to secure a place on this challenge. The full balance, including any agreed payment for accommodation and collection/drop-off **MUST** be paid **at least 28 days before the challenge date**. Failure to settle the outstanding amount by this time may lead to cancellation of your event, with no refund of deposits paid.

In the unlikely situation that **Merseyventure** need to cancel this challenge, we will refund any monies as paid in full. If **you** need to cancel after paying your total amount due, we will offer an alternative date where possible, but note that deposits cannot be transferred and we cannot refund final payments. Refunds for payments for accommodation booked are at the discretion of the establishment or venue concerned, and are often very unlikely.

Merseyventure have many years of experience in organising Three Peaks Challenges. For some teams, you may encounter severe foul weather on the mountains, landslide/landslip on the roads, traffic congestion, roadworks, road closures, road traffic accidents, terrorist attacks, vehicle breakdowns, footpath and bridleway closures, seriously injured third parties on the mountain, etc. Whilst these events are uncommon, they do (and have) happened and are completely out of our control, and as such we cannot guarantee that you will complete your challenge of reaching each summit, or completing within 24 hours. *Sorry...!*

After reading and understanding all of the above information, I still want to participate in this Three Peaks Challenge... (are you mad?).

I enclose a cheque made payable to 'Merseyventure' for:

**My deposit of £129**

**Total Challenge cost of £329**

**Total Challenge cost + any accommodation extras : Total = £\_\_\_\_\_**

### **Notes on completing the Individual Booking Form.**

This 'Open Bus Three Peaks Challenge' form is for the Open Challenge Series 2010 over the dates as described, and should not be used for other Open Challenge Series events.

Please write clearly, especially when completing your postcode and email address.

It is very important that you supply details of an emergency contact, and also details of any medical conditions. These medical conditions will not be revealed to other walkers, and will remain confidential between involved Merseyventure staff, and only revealed to third parties in the case of any rescue/medical emergency.

You should try to be as honest as you can about any previous experience and also your current state of fitness. Where events have more than one vehicle involved, we will try to 'grade' walkers to match each others stated abilities. If you have no hill walking experience, please be honest and tell us..!

Each walker will be issued with a minimal 'Kit List' which will include various items of kit and clothing. This will include a head torch, a bivvy bag, walking boots (not walking shoes), walking trousers and some base layers. If you do not have these items, please let us know well before the event and we'll help out.

Walkers presenting themselves at Fort William without the requested items will simply **NOT BE ALLOWED TO WALK**. This Kit List makes up part of our Health & Safety Specification for walkers, and is also required by our event insurance.

#### **Still want to take part?**
